

Take a closer look at your vision benefits

With vision care benefits from Davis Vision, you have comprehensive coverage and low out-of-pocket costs.

Eye care is an important part of your health

An eye exam can help with early detection of vision problems and systemic diseases, such as diabetes and cardiovascular disease. In addition to regular vision exams, covered services like refraction, glaucoma screenings, and dilation can help paint a picture of your overall health.

Find a provider that's right for you

The national Davis Vision network includes more than 94,000 access points for independent eye care professionals, as well as large retail and online providers.

Low-cost frames and lenses

Davis Vision offers a collection of stylish, contemporary brand-name and Exclusive Collection frames that are available at most participating providers.

- Choose from no-cost and low-cost Exclusive Collection frame options
- Or use your frame allowance at **any in-network provider**, including online at [Glasses.com](https://www.glasses.com)
- Receive an enhanced frame allowance at [Visionworks](https://www.visionworks.com)
- Get fixed pricing on all lens styles and coatings
- Worry less with one-year breakage warranty for frames and lenses

Laser vision correction services

Members can save 40 to 50 percent off the national average price of traditional LASIK from credentialed physicians. Exclusive pricing and financing options are also available.

Choose contact lenses instead

You can choose contact lenses instead of eyeglasses. Use your contact lens benefit allowance at retailers such as [1800Contacts.com](https://www.1800contacts.com), which offers free mail-order services and discounted pricing.
